2017 Year - End Claim Submission

At PHP and PHC, we recognize that our providers want to get paid in a timely manner that's why we are encouraging all providers to submit their claims with 2017 dates of service before year end.

PHP and PHC strongly encourages our providers to submit claims electronically through EMDEON. The advantages of submitting an electronic claim versus a paper claim include:

- Faster, more expedient payment of your claims
- An electronic receipt acknowledging your claim (through Emdeon)
- Improved claims tracking
- Improved claims status reporting
- Improved turnaround time for timely reimbursement
- Elimination of paper and waste
- Improved cost effectiveness

PHC & PHP Payor ID: 95411

Note: PHP/PHC Payor ID supports professional, institutional & dental claim submissions.

To begin electronic claim submissions, Emdeon Eligibility Provider Setup Form and Claims Provider Setup Form must be completed initially. To access Emdeon Enrollment Guide as well as these forms, please visit Emdeon's website at www.emdeon.com.
