Electronic Dental Claim Submission

Reminder, dental providers may submit claims electronically to PHC/PHP.

Electronic dental Claim Submission allows dental providers to safely submit and track HIPAA-compliant electronic claims to PHC & PHP via Change Healthcare without manual intervention. **Dental Providers may also submit secondary claims.**

Electronic dental claims must be filed through Change Healthcare or send your claims through a billing service or clearinghouse to transmit to Change Healthcare and then route to PHC/PHP. Change Healthcare edits transactions according to the HIPAA-AS requirements. A limited number of payer specific edits are also performed before routing transactions to PHC/PHP.

If a dental claim transaction fails either the HIPAA-AS or PHC/PHP edits, Change Healthcare will not forward the dental claim to PHC/PHP for processing and adjudication. Change Healthcare will return an error message to the sender (sender is defined as the entity that submitted the claims to Change Healthcare; this may be a provider, billing service, or another clearinghouse) to correct and resubmit the claims electronically. If you use a billing service or another clearinghouse to submit your transactions to Change Healthcare, it is the billing service/clearinghouse's responsibility to return the Change Healthcare file acknowledgements and EBRs to you.

PHC & PHP Payor ID: 95411

Note: PHP/PHC Payor ID supports professional, institutional & dental claim submissions.

To begin electronic dental claim submissions, Change Healthcare Eligibility Provider Setup Form and Claims Provider Setup Form must be completed initially. To access Change Healthcare Enrollment Guide as well as aforementioned forms, please visit Change Healthcare's website at www.ChangeHealthcare.com.
