

Plan Provider Directory

This directory is current as of October 1, 2021.

This directory provides a list of PHP's (HMO SNP) current network providers.

This directory is for Broward and Miami-Dade Counties, Florida.

To request a hard copy of PHP's provider directory, please call our Member Services Department at (888) 456-4715, 8:00 a.m. to 8:00 p.m., seven days a week. TTY users should call 711. PHP will mail a hard copy of the provider directory to you within three (3) business days of your request. PHP may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently.

If you request it, your request for hard copies of the provider directory remains until you leave PHP or request that hard copies be discontinued.

PHP is an HMO plan with a Medicare contract. Enrollment in PHP depends on contract renewal.

Section 1 – Introduction

This directory provides a list of PHP's network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. You will see your PCP first for most of your routine health care needs. Besides providing much of your care, your PCP will help arrange and coordinate the rest of the covered services you receive as a plan member. This includes giving you referrals for x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. "Coordinating" your services includes checking or consulting with other plan providers about your care. If you need certain types of covered services or supplies, your PCP must give approval in advance (such as giving you a referral to see a specialist). In some cases, your PCP will also need to obtain prior authorization (prior approval) from the plan for certain services. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your new PCP's office.

The network providers listed in this directory have agreed to provide you with your health care, vision, dental, behavioral health and ancillary services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you need to see a specialist, your PCP will provide you a referral to a network specialist. You do not need a referral for:

- Routine women's health care, which includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams, as long as you get them from a network provider.
- Flu shots, Hepatitis B vaccinations, and pneumonia vaccinations as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed services from in-network providers or from out-of-network providers when network providers are temporarily unavailable or inaccessible (e.g., when you are temporarily outside of the plan's service area).
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. (If possible, please call Member Services before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away. You can reach Member Services at (888) 456-4715, seven days a week, 8:00 a.m. to 8:00 p.m. TTY users call 711.)

If you get a bill from a network or out-of-network provider for health care services you received, **do not** pay it. Please submit it to PHP so we can determine if the plan or you are liable for payment. If we determine the plan is liable, PHP will pay the bill. Submit bills to:

Attn: Member Services
PHP
P.O. Box 46160
Los Angeles, CA 90046

You can also fax your bill to (888) 235-8552. If you have questions about a bill, call Member Services at (888) 456-4715, seven days a week, 8:00 a.m. to 8:00 p.m. TTY users call 711.

If you are out of the plan's service area listed below and have a medical emergency, call 911 or go to the closest hospital. Contact Member Services at (888) 456-4715 (TTY 711), seven days a week, 8:00 a.m. to 8:00 p.m., as soon as possible to advise us that you had a medical emergency.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor PHP will be responsible for the costs.

What is the service area for PHP?

The counties in our service area are listed below.

- Broward County, Florida
- Miami-Dade County, Florida
- Duval County, Florida

How do you find PHP providers that serve your area?

To find a provider, like a PCP, specialist or hospital, look in the table of contents to find the section of the directory that lists the type of provider you need. In the case of specialists, find the specialty you need. Go to that section of the directory and find the county and city that is closest to you and choose a provider.

If you have questions about PHP or require assistance in selection a PCP, please call our Member Services Department at (888) 456-4715, 8:00 a.m. to 8:00 p.m., seven days a week. TTY users should call 711. Or, visit www.php-fl.org/for-members/using-plan.
