You and a guest colleague are cordially invited to attend a CME Program:

### “Conference on Retroviruses and Opportunistic Infections Update”

<p><b>Guest Educator:</b> Michael Wohlfeiler, M.D., J.D., AAHIVMS Chief of Medicine, Domestic United States AIDS Healthcare Foundation</p> <p><b>Time:</b> June 8, 2015 6:30 p.m. Dinner 7:00-8:00 Presentation</p> <p><b>Location:</b> Novecento Aventura 18831 N. Biscayne Blvd Suite 220 Aventura, FL 33180</p> <p><b>RSVP by emailing:</b> <a href="mailto:mamie.brisker@aidhealth.org">mamie.brisker@aidhealth.org</a></p> <p>Limited Seating Available.</p> <p>No commercial support.</p>	<p>This live, educational course is designed for physicians treating HIV and AIDS patients. Physician Assistants, registered nurses, nurse practitioners, pharmacists and all medical staff are welcome to participate.</p> <p><i>The Conference on Retroviruses and Opportunistic Infections (CROI) is a scientifically focused meeting of the world’s leading researchers working to understand, prevent, and treat HIV/AIDS and its complications. The goal of CROI is to provide a forum for translating laboratory and clinical research into progress against the AIDS epidemic. Over 4,000 leading researchers and clinicians from around the world convene in a different location each year for the Conference.</i></p> <p><a href="http://www.croiconference.org/">http://www.croiconference.org/</a></p> <p>Upon completion of this CME activity, participants should be able to:</p> <ol style="list-style-type: none"><li>1. Critically evaluate the results of recent clinical studies of new antiretroviral agents.</li><li>2. Describe the current data regarding the monitoring and management of HIV/HCV co-infected patients.</li><li>3. Discuss the prevailing facts and opinions regarding cardiac, bone, renal and neurocognitive comorbidities in persons with HIV.</li></ol>
---	--
