PHP/PHC California ANNOUNCES NEW JOIN OUR NETWORK

PHP/PHC California is very excited to announce the launch of our new website feature: Join Our Network. Providers who are looking to partner with PHP, PHC California and/or Ryan White, can simply do so by clicking the Join Our Network link (Join Our Network - Positive Healthcare) directly from the website.

We currently provide services throughout several states. Critical to our mission, we encourage quality providers, such as you, who play a pivotal role in the care management of patients. Together, we can provide high-quality health care to your patients, our members, and our community.
