2023 ANNUAL NETWORK CERTIFICATION

Dear Donna Stidham:

Pursuant to APL 23-001, the MCP shall submit complete and accurate Annual Network Certification exhibits to DHCS to demonstrate compliance with State and federal network adequacy standards (42 C.F.R., sections 438.68 and 438.206(c)(1)).

DHCS completed an assessment of AIDS Health Foundation's 2023 Annual Network Certification submission and identified no deficiencies. AIDS Health Foundation is thus deemed compliant and has passed the 2023 Annual Network Certification.

Sincerely,

Sean Barber, Chief
Managed Care Networks and Access Branch
California Department of Health Care Services
