RE: 2024 ANNUAL NETWORK CERTIFICATION – Alternative Access Standard
Request Determination

Dear Ms. Stidham:

Pursuant to APL 23-001, the managed care health plan shall submit complete and accurate Annual Network Certification (ANC) exhibits to the Department of Health Care Services to demonstrate compliance with State and federal network adequacy standards (42 C.F.R., sections 438.68 and 438.206(c)(1)).

DHCS completed an assessment of AIDS Health Foundation's 2024 ANC submission and identified no deficiencies. AIDS Health Foundation is thus deemed compliant and has passed the 2024 ANC.

Sincerely,
